## Clients Represented

## Experience

Tim is results oriented, accessible 24/7 and dedicated to achieving his client's objectives.

Tim's strengths are his strong analytical and problem solving skills, which Tim has used to add value on behalf of his clients throughout his 13-year career in commercial real estate.

Tim is proud of the contribution he has made to his clients' success in Toronto, across Canada and globally. Furthermore, he is proud of the reputation he has earned with clients, colleagues and amongst the landlord and brokerage community.

Outside of commercial real estate, Tim enjoys travelling, time spent with his growing family and friends, and managing his small portfolio of properties.

Please feel free to contact Tim with any questions or to request references.
